Focus – Thinking - Learning

Metacognitive Classrooms

FOCUS
Is the instruction focused, and is it focused on the process of learning?

THINKING
Who is doing the thinking? Is it the teacher or the students?

LEARNING
Is there evidence of gradual release and differentiation where ALL students have access to learning?

METACOGNITIVE LEARNING MODEL
How do I focus instruction on metacognitive thinking and learning?

Metacognitive Professional Learning

FOCUS
Who is doing the thinking? Is it the facilitator or the participants?

THINKING
Who is doing the thinking? Is it the teacher or the students?

LEARNING
Is there evidence of gradual release and differentiation where ALL participants have access to learning?

METACOGNITIVE PROFESSIONAL LEARNING MODEL
How do schools and districts focus professional learning to create metacognitive school environments?
